Commissioner for Patents

Dear Sirs:

Pursuant to David Fogg's telephone discussion today with Examiner Das concerning the above-identified application, we were informed that, although the U.S. Patent Office did receive the Communication Regarding Change of Address filed on November 11, 2002, the U.S. Patent Office did not receive the Response Under 37 CFR 1.116 that was filed concurrently with the Change of Address of Communication.

Therefore, submitted herewith is a copy of the below-identified documents as originally filed on November 11, 2002 and identified as Exhibit A:

- (1) A copy of the return-receipt postcard listing the accompanying Response Under 37 CFR 1.116 and Communication Regarding Change of Address which is date-stamped as being received by the U.S. Patent Office (OIPE) on November 18, 2002;
- (2) The transmittal form accompanying same;
- (3) The Communication Re: Change of Address; and
- (4) A Response Under 37 CFR 1.116.

Applicant further submits herewith a Notice of Appeal in order to ensure non-abandonment of the above-identified application which has a 6-month response due date of March 10, 2003 to the Final Office Action mailed September 10, 2002.

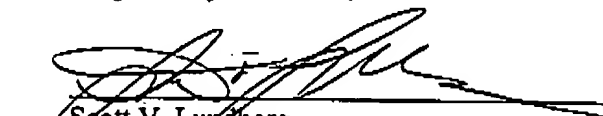

Because Applicant's Representatives believe that this is a U.S. Patent Office error, the extension of time fees should not be paid, and the Notice of Appeal fee should eventually be

refunded to Applicant's Representatives. However, please charge any further fees deemed necessary or credit any overpayments to Deposit Account No. 502432.

Please direct any inquiry concerning this matter to the below-signed attorney.

Respectfully submitted,

Date: 3-10-03
